Guests

Do your check-in online.

2 days prior to your arrival, you'll receive a form to fill in the mandatory information in order to speed up the process.

Schedule your breakfast

Breakfast is served from 7:30 to 11:15am. Choose your time slot. This way we can limit the amount of people at a time in same place.

Always wear mask in all common areas

We have masks for you!

Clean your hands often.

Use soap and water, or an alcohol-based hand rub. Every area and room of this property has free hand sanitizer.

Keep social distance of 2 meters (6feet)

If you prefer, you can make your own bed

If you feel sick, we have an isolated room and we'll start the standard procedures to take care of you

Avoid touching your face, eyes, nose and mouth

Sneeze into your elbow
